

The ultimate in durability and robustness for tough applications requiring high water flow

The POSEIDON 8 line offers a wide range of models for everyday cleaning in agriculture, construction, food or transport industry. The POSEIDON 8 offers powerful cleaning with high water flow, low noise level and high durability.

- Steel or stainless steel frame variants.
- Slow running 1450 rpm motors with low noise level.
- Ceramic pistons for longer working life.
- Simple and easy to use.
- Parking brake
- 15 m HP hose

POSEIDON 8 is a tough, robust cold water range combining high water flow and high pressure. The POSEIDON 8 is available with both powder coated frame or stainless steel frame for additional resistance in tough environments. The POSEIDON 8 is also available in four performance levels.
